Artemis Leros Boatyard L.T.D, is located near the Airport, on the point 37o 11'11'.61" N. 26o 47'42,01"E. The entrance is located north. Our opening hours are from Monday-Friday 08:00-15:30 & Saturday from 09:00-15:00. Boatyard is surrounded by a 50m cliff that ensures great protection. There is also a 24hour video surveillance and guard patrols during the night.

All works are made by our expert technical staff, covering all variety of repairing & maintaining jobs. For any additional work by third party workshop, an extra agreement with the Boatyard's Administration will be needed. Yacht owners can do works themselves except welding, fire torches use, spray guns use and jobs that require Climb on the mast. These jobs can be only performed by the Boatyard's technicians.

Our fully equipped chandlery store and its experienced staff, dealing with shipyards & distribution companies in Greece and around the world is available to supply any yachting hardware, electrical/electronic equipment, engines/generators spare parts you might need.
